

# PONDER ATHLETIC BOOSTER CLUB

Welcome to Ponder Athletic Booster Club!

Ponder Athletic Booster Club is a non-profit booster club dedicated to providing support to all Ponder ISD athletic programs. All proceeds of PABC fundraisers and events are given back to the school athletic programs. Since 2009, PABC has provided over \$55,000 in equipment, supplies and scholarships to Ponder ISD athletics programs and athletes. (See list of donated items on back.)

Parent participation is vital to the success of the booster club. All parents of Ponder ISD athletes are considered members of the booster club and expected to participate in booster club activities in order to continue the level of support that the booster club has been able to provide in the last few years.

**Concessions** are the primary means of fundraising for the PABC. Participation is expected throughout the year as follows:

**Football** – Each varsity football parent is asked to work one Junior High/JV football concession during the 2011 season. Each junior high and JV football parent is asked to work one varsity football concession during the 2011 season.

**Volleyball** – Each junior high and high school volleyball parent is asked to work three volleyball concessions during the 2011 season.

**Basketball** – Each junior high and high school basketball parent is asked to work three basketball concessions during the 2011-12 season.

**Powerlifting** – Each powerlifting parent is asked to work one concession shift at the regional powerlifting meet.

**Track** – Each high school track parent is asked to work one concession shift at the junior high track meet. Each junior high school track parent is asked to work one concession shift at the high school track meet.

**Baseball** – Each baseball parent is asked to work one softball concession during the 2012 season.

**Softball** – Each softball parent is asked to work one baseball concession during the 2012 season.

**Tournament sponsorship and hosting** is the other primary means of fundraising for PABC. Parents of **all athletes** in **every sport** are expected to help with tournaments. Help will include working gates, concessions and providing food for hospitality rooms.

With your participation, the booster club will be able to continue to support all Ponder ISD athletic programs and help student athletes continue their education with college scholarships.

# PONDER ATHLETIC BOOSTER CLUB
